

Jr Cougar Football

Our Junior Cougar football teams are for youth (age 7-11) to learn the fundamentals of football in a safe, encouraging and fun environment.

Participate in the inaugural season of the Stoney Creek Junior Cougars!

SCJC will be hosting two (2) youth football teams providing the opportunity for children age 7 through 11 to participate. The freshman football team is comprised of 7-9 year olds. The JV football team consists of 10-11 year olds.

"To be as competitive as possible in today's high school athletics, it's important that we have youth athletes with a basic familiarity of what we're doing at the varsity level."

Brad Zube, Former SCHS Varsity Football Coach
