

Stoney Creek Jr. Cougars: Video Recorder Guide

As a video recorder for the Stoney Creek Jr. Cougars, your role is crucial for capturing game footage used for coaching and strategic analysis. This guide provides instructions on how to effectively record the game and share the footage with the team's head football coach.

Positioning and Equipment

1. Optimal Positioning:

- Sit in a high location with a clear, unobstructed view of the entire field. This will ensure comprehensive coverage of the game.

2. Equipment Check:

- Ensure your camera or recording device is fully charged and has sufficient storage space. Test the equipment before the game to confirm it is functioning properly.
-

Recording Instructions

1. When to Start Recording:

- Begin recording as soon as the football players break the huddle. This will capture the setup and initial movements of each play.

2. When to Stop Recording:

- Stop recording shortly after the referee blows the whistle to end the play. This ensures you capture the complete play without unnecessary footage of downtime.
-

Post-Game Instructions

1. Uploading and Sharing Video:

- **Apple Shared Album:** Create a shared album on Apple Photos. To do this:
 - Open the Photos app and select "Albums."
 - Tap "+" to create a new album and name it appropriately (e.g., "Game Footage").

- Add the video clips to this album.
- Tap “Share” and select “Add People.” Choose “Share Link” or enter the coach’s email address to share the album directly with the team’s head football coach.
- **Other Platforms:** Alternatively, you can use Google Drive, Dropbox, or a similar service. Upload the video clips and create a shared link or folder. Share the link or folder with the coach, ensuring they have the necessary permissions to view and download the footage.

2. File Management:

- Label and organize video files clearly and consistently. This helps in easily locating and reviewing specific plays or segments of the game.

Purpose and Use of Footage

1. Coaching Review:

- The recorded footage will be reviewed by the coaching staff to analyze player performance, identify areas for improvement, and develop strategies for future games.

2. Analyzing Opponents:

- The film will also be used to study opponents’ tendencies and strategies, providing insights that can help the team gain a competitive edge.

Additional Tips

1. Maintain Consistency:

- Ensure that each play is recorded consistently, avoiding unnecessary movements or distractions during filming.

2. Stay Focused:

- Keep your attention on the field to capture all relevant moments. Avoid excessive zooming in or out, which can affect the quality of the footage.

3. Timeliness:

- Upload the footage and share the album with the coach as soon as possible after the game to ensure timely review and analysis.
